

GEN V SIDE LOADER: 360L Bin Lifter Option

- 1 Bin lifter capable of lifting 80L – 360L bin sizes
- 2 360L bins allow collection of municipal recycling less often, meaning lower collection costs and fewer trucks per municipality
- 3 360L option attractive for councils, giving a distinct advantage over other tender submissions
- 4 125kg lift capacity as standard, with 180kg option available
- 5 Robust design for low maintenance costs
- 6 Available on full range of MacDonald Johnston Gen V Side Loaders
