

## SULO Australia

### **Website Disclaimer**

The SULO website has been developed by SULO for the purposes of promoting products and services to the public. All information and images located on the website are for individual viewing only and no content may be used without direct permission from SULO.

The content displayed on the website is for information purposes only and SULO does not accept any liability to any person for the information which is provided or used in reference.

All SULO product brochures provided on the website are subject to technical amendments without notification.

The website contains several links that are external to the SULO website and as SULO does not have control over the content of linked sites, no responsibility is taken for any information or services which may appear on any linked websites.

Calculations provided by the 360 litre savings calculator featured on the SULO website calculates an approximate guide only and does not constitute as a quote. The recycling leakage rates used to form the calculation were sourced from reports released by the DECCW NSW 2010. The 360 litre pricing provided is for illustrative purposes only and actual price is quantity dependant.
